

The Oven Door Bakery Ltd

ENVIRONMENTAL POLICY

The Oven Door Bakery Limited is committed to leading the bakery industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.
- Recycle as much material as possible with our waste collection partners (see separate notes)

OUR OFFICE POLICY IS:

- Don't use bleached paper - use recycled paper
- Don't print out emails
- Print on both sides of the paper
- Re-use scrap paper for notes
- Return inkjet cartridges for recycling

OUR PACKAGING POLICY IS:

- Use a minimal amount of packing material whilst ensuring product protection
- Ensure where possible, material used can be recycled by customer
- Ensure our packing material supplier adheres to our aims (low CFP for delivery)
- Constantly review procedures and materials used within the bakery.

SO WHERE ARE WE NOW AS A BAKERY AIMING FOR A THE ABOVE?

We are trialling a new led lighting panel in the bakery with a 75% reduction in energy

Our new Euro 4 and 5 vans are achieving 35mpg on deliveries

We currently recycle 65% of our waste in partnership with 'WAR-ON-WASTE'

We work with other local companies to consolidate deliveries where possible.

We ensure thorough staff training on matters relating to saving electric, saving materials, economic driving and delivery methods

We promote the use of our 'bag for life' within our own shops
